

CDSCO REGISTRATION

CDSCO Test License

Document Checklist for CDSCO Registration

Professional assistance for CDSCO Test License, required to manufacture/import a limited quantity of a drug or device for testing, analysis, examination or clinical trial purposes.

Documents Required

- Business registration/incorporation proof of the applicant
- PAN card of the business/Proprietor/Directors
- Manufacturing/import licence of the facility, if applicable
- Product composition/technical specifications
- Purpose of testing (analysis, clinical trial, examination, bio-equivalence study, etc.)
- Details of the quantity required for testing purposes
- Details of the testing laboratory/institution where the product will be tested
- Undertaking that the product will only be used for the stated test purpose and not sold

Note: The above list indicates commonly required documents. Additional documents may be requested by the Central Drugs Standard Control Organisation (CDSCO) or State Drug Licensing Authority depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
