

CDSCO REGISTRATION

Dual-Use NOC

Document Checklist for CDSCO Registration

Professional assistance for Dual-Use NOC, required where a substance/product has both a regulated (drug/cosmetic/device) and a non-regulated (industrial/other) use, confirming the intended use for import/manufacture clearance.

Documents Required

- Business registration/incorporation proof of the applicant
- PAN card of the business/Proprietor/Directors
- Product technical specifications and composition details
- End-use declaration/undertaking specifying the intended (non-drug/non-cosmetic) application
- Purchase order or end-user agreement showing the intended use
- Import/manufacturing documents of the product, as applicable
- Manufacturing licence or import licence held, if any
- Undertaking that the product will not be used for regulated purposes without separate approval

Note: The above list indicates commonly required documents. Additional documents may be requested by the Central Drugs Standard Control Organisation (CDSCO) or State Drug Licensing Authority depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
