

INTELLECTUAL PROPERTY RIGHTS

Geographical Indication Registration

Document Checklist for Intellectual Property Rights

Professional assistance for Geographical Indication (GI) Registration, identifying goods originating from a specific geographical region with unique qualities, covering eligibility review, document checklist, application preparation, filing coordination and follow-up support.

Documents Required

- Details of the applicant (association/organisation/authority representing producers)
- Details of the goods and the geographical area of production
- Historical/documentary evidence linking the goods to the geographical area
- Details of the unique characteristics/quality attributable to the region
- Details of the producers/members of the applicant association
- Map of the geographical area of production
- Inspection body/mechanism details for maintaining quality standards

Note: The above list indicates commonly required documents. Additional documents may be requested by the Geographical Indications Registry depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
