

ISO CERTIFICATION

ISO 21101:2014 Certification

Document Checklist for ISO Certification

For Safety Management System certification for adventure tourism activity providers, under ISO 21101:2014.

Documents Required

- Business registration/incorporation proof
- Details of adventure tourism activities offered
- Safety management policy of the organisation
- Risk assessment records for each adventure activity offered
- Equipment maintenance and inspection records
- Staff qualification and training certificates for activity instructors/guides
- Emergency response and evacuation plan
- Incident/accident records, if any, with corrective actions

Note: The above list indicates commonly required documents. Additional documents may be requested by the certification body during the audit process depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
