

ISO CERTIFICATION

ISO 45001 Certification

Document Checklist for ISO Certification

For Occupational Health and Safety Management System (OH&S;) certification under ISO 45001.

Documents Required

- Business registration/incorporation proof
- Site plan and process flow of operations
- Occupational health and safety (OH&S;) policy
- Hazard identification and risk assessment (HIRA) records
- List of workplace incidents/accidents, if any, with corrective actions
- Legal compliance register related to health and safety regulations
- Employee training records related to health and safety
- Emergency preparedness and response plan

Note: The above list indicates commonly required documents. Additional documents may be requested by the certification body during the audit process depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
