Document Checklist for Intellectual Property Rights

Professional assistance for Indian Patent Search, covering eligibility review, document checklist, application preparation, filing coordination and follow-up support.

## Documents Required

- Detailed technical description of the invention/technology to be searched
- Keywords/technical terms related to the invention
- Details of the industry/field of application
- Known similar inventions/products, if any (for reference)
- Purpose of the search (novelty check, freedom-to-operate, invalidation, etc.)
- Drawings/diagrams of the invention, if available

*Note: The above list indicates commonly required documents. Additional documents may be requested by the Trademark Registry, Patent Office or other authority depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.*
