

IRDA REGISTRATION

Insurance Self-Network Platform

Document Checklist for IRDA Registration

For obtaining approval to operate a Self-Network Platform (SNP) for online sale/servicing of insurance products by an insurer/intermediary.

Documents Required

- Existing IRDAI registration certificate of the applicant (insurer/intermediary/agent)
- PAN card of the business
- Details of the proposed online platform/website/app
- IT infrastructure and data security policy details
- Details of products proposed to be sold through the platform
- Board Resolution approving the Self-Network Platform proposal
- Compliance policy for online sales as per IRDAI guidelines
- Details of grievance redressal mechanism on the platform

Note: The above list indicates commonly required documents. Additional documents may be requested by the Insurance Regulatory and Development Authority of India (IRDAI) depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
