

ACCOUNTING & BOOK KEEPING

M2M Communications

Document Checklist for Accounting & Book Keeping

Professional assistance for M2M (Machine-to-Machine) Communications registration/compliance, covering eligibility review, document checklist, application preparation, filing coordination and follow-up support.

Documents Required

- Business registration/incorporation proof
- PAN card of the business/company
- Details of M2M devices/SIMs to be used and their purpose
- Technical specifications of the M2M solution/devices
- Details of the sector/industry of application (e.g. utilities, logistics, healthcare)
- Applicable telecom licence/registration, if required
- Data security and privacy compliance details, as applicable
- Details of the service provider/network operator engaged

Note: The above list indicates commonly required documents. Additional documents may be requested depending on the specific scope of engagement. Expert Registration confirms the exact requirement after a brief consultation.
