Patent Opposition

Document Checklist for Intellectual Property Rights

Professional assistance for filing or responding to a Patent Opposition (pre-grant or post-grant) before the Patent Office, covering eligibility review, document checklist, application preparation, filing coordination and follow-up support.

Documents Required

- Patent application/grant number being opposed
- Details and evidence of grounds for opposition (prior art, lack of novelty, etc.)
- Prior art documents/publications supporting the opposition
- PAN card and identity proof of the opponent/applicant
- Details of the patentee/applicant being opposed
- Power of Attorney, if filed through a patent agent

Note: The above list indicates commonly required documents. Additional documents may be requested by the Trademark Registry, Copyright Office, Patent Office or other authority depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
