Pharma Consultancy Services in India

Document Checklist for Advisory Service

For availing consultancy services related to pharmaceutical licensing, regulatory compliance and CDSCO/state drug authority matters.

Documents Required

- Business registration/incorporation proof of the pharma business
- PAN card of the business
- Existing drug licence/manufacturing licence, if any
- Details of products/formulations for which consultancy is sought
- Site plan of the manufacturing/storage facility, if applicable
- Details of the specific regulatory matter/query requiring advisory

Note: The above list indicates commonly required documents/details. Additional information may be requested depending on the specific scope of engagement. Expert Registration confirms the exact requirement after a brief consultation.
