Trademark Rectification

Document Checklist for Intellectual Property Rights

For filing a rectification application to remove or amend an incorrectly registered trademark from the Register.

Documents Required

- Trademark registration number of the mark to be rectified/removed
- PAN card and identity proof of the applicant
- Grounds for rectification (non-use, wrongly registered, similarity, etc.)
- Evidence supporting the grounds for rectification
- Details of the registered proprietor against whom rectification is sought
- Power of Attorney/authorisation, if filed through an agent

Note: The above list indicates commonly required documents. Additional documents may be requested by the Trademark Registry, Copyright Office, Patent Office or other authority depending on the specific case. Expert Registration confirms the exact requirement after a brief consultation.
